easyPROTECT, THE ALL-IN-ONE CONTRACT

easyPROTECT combines all your private insurance policies into a single contract: Home, Auto, Family Civil Liability, Legal Protection, Accident and Travel.

Benefit from a clear view of all your coverages and simplified monitoring with a single contract, a single premium and a single expiry date.

Benefit from a discount of € 50 per home and up to € 100 per car insured with comprehensive coverage. You also have the option of paying your premium monthly.

YOUR BENEFITS

COVERAGE FOR YOURSELF AND YOUR LOVED ONES

Customise your insurance for each family situation: single, couple, family with/without children or single-parent family. In the family package, all children living at the same address are insured up to the age of 18 (27 in the case of extended studies) at a single rate, regardless of their number.

IN LUXEMBOURG, EUROPE AND WORLDWIDE

You are covered all year round in Luxembourg and Europe, and you benefit from a territorial scope worldwide for any stay of up to 3 months.

TAX DEDUCTIBILITY

Your **easyPROTECT Accident** insurance premium is tax-deductible as special expenses (art. 111 L.I.R. max. € 672 per year).

COMFORT FORMULA: SET YOUR PREDEFINED AMOUNTS

The Comfort formula allows you to determine the coverage you wish to devote to your protection and that of your loved ones.

Ideal sums insured: 1 annual income for death, 3 annual incomes for disability.

OCCASIONAL EXTREME SPORTS

Extreme sports practised occasionally are also covered (diving, bungee jumping, parachute jumping). For those who practice them more often, an extension of coverage to the year is also possible.

YOUR PROFESSION COVERED AS NECESSARY

An accident can deprive you of the ability to continue to practise your profession (amputation, loss of sight, etc.). With **easyPROTECT Accident**, you can extend coverage to accidents that occur during your professional activity. You can choose between the Comfort and Performance formulas, whichever one best suits your professional status and occupation. As a self-employed or freelance professional (doctor, lawyer, garage owner, restaurateur), or if you have significant responsibilities, the Performance formula is particularly suited to your situation. Indeed, it allows you to compensate for significant loss of income for the entire duration of your incapacity for work. Contrary to what is provided for employees, social security does not compensate self-employed people in the event of incapacity for work. So, it's a good idea to think about protecting yourself.

MOTORBIKE: PROTECT YOURSELF AGAINST THE CONSEQUENCES OF AN ACCIDENT

A motorbike accident happens quickly and it is important to be insured as a person. With **easyPROTECT Accident**, you have the option of benefiting from the extended warranty to protect you against the consequences of a motorbike accident.
